please note this is a companion version not the original book sample book insights 1 the case interview is a unique interviewing format that firms such as mckinsey company bain company boston consulting group oliver wyman and others use it is used to evaluate candidates with wide ranging backgrounds 2 the case interview is a trial run of the actual consulting interview i learned that the most profitable skill i could learn while in school was not related to english math psychology history economics or science it was how to pass the case interview 3 my experience as a job seeker and a consultant has shaped my perspective of the case interview i ve developed an uncommon insight into the case interview from having been on both sides of the table and that s what i share with you here 4 the case interview process is made up of seven parts part one provides a big picture view of the process and the different types of evaluation tools used part two covers quantitative assessments part three discusses the fundamentals of tackling real case interviews part four covers the primary frameworks you ll use to solve the business problems presented in the case interview part five covers the traditional candidate led case interview format part six describes the other types of case interviews and how to handle them

case closed is an award winning detailed guide to acing the consulting interview other consulting prep materials are written by those who have been out of the industry for decades case closed is the only guide written by former mckinsey consultants and interviewers who have been intimately involved in the interview process in the last 2 years this authoritative resource covers some never covered before topics including how to write your resume to attract the attention of resume graders and recruiters at mckinsey bain and bcg why the personal experience fit interview matters what interviewers are probing for and what types of experiences to prep how the interviewers evaluate your case performance what matters and what doesn t how to tackle non traditional cases that interviewers may throw at you which no canned framework from the typical case interview books can help with how to prep if you have 60 days 30 days or just 2 weeks before your expected first interview how to hack both in person interactions and video interview interactions in a time of covid 19 the surprisingly good and surprisingly bad questions to ask your interviewer during q a how to master innovative universally adaptable case interview frameworks any candidate can regurgitate the frameworks from case in point or case interview secrets nothing there will

wow an interviewer countless example cases spanning profitability new market entry new product growth pricing m a and even non traditional archetypes whether you are a current undergrad or mba looking for an internship or full time role or an experienced professional case closed is an investment into your professional future stand out from the pack with the latest cutting edge secrets to wow your consulting case interviewers sean huang s former proteges span undergraduates mbas advanced degree holders and experienced hires these students have landed job offers at top consulting firms including mckinsey bcg and bain many have also used the structured thinking he has taught them to land roles at goldman sachs ibd google bizops strategy as well as at fortune 500 strategy groups case closed has been a lifesaver it truly contains everything you need to know to ace your consulting interviews and sean explains things in a clear manner that is easy to understand after studying case closed i landed my dream job at mckinsey and i ve raved about this book to all my friends mckinsey new york full time offer wharton mba i used to be intimidated by the notorious consulting case interviews for anyone looking to get a job offer to a top consulting firm case closed is honestly the best interview prep book and i ve read all of them the case interviews in case closed were by far the best and most similar to the cases i got in the actual interviews bain san francisco internship offer uc berkeley haas undergraduate in my panic i read all of the case interview frameworks from different case prep books and that ended up confusing me more because there were so many frameworks but no easy way to remember when to use what case closed walks you through the interview process in such a great way that i started loving case interviews and landed the job bcg boston full time offer university of virginia undergraduate

a vital and timely investigation into the opaque and powerful consulting industry and what to do about it there is an entrenched relationship between the consulting industry and the way business and government are managed today that must change mariana mazzucato and rosie collington show that our economies reliance on companies such as mckinsey company boston consulting group bain company pwc deloitte kpmg and ey stunts innovation obfuscates corporate and political accountability and impedes our collective mission of halting climate breakdown the big con describes the confidence trick the consulting industry performs in contracts with hollowed out and risk averse governments and shareholder value maximizing firms it grew from the 1980s and 1990s

in the wake of reforms by the neoliberal right and third way progressives and it thrives on the ills of modern capitalism from financialization and privatization to the climate crisis it is possible because of the unique power that big consultancies wield through extensive contracts and networks as advisors legitimators and outsourcers and the illusion that they are objective sources of expertise and capacity in the end the big con weakens our businesses infantilizes our governments and warps our economies in the big con mazzucato and collington throw back the curtain on the consulting industry they dive deep into important case studies of consultants taking the reins with disastrous results such as the debacle of the roll out of healthcare gov and the tragic failures of governments to respond adequately to the covid 19 pandemic the result is an important and exhilarating intellectual journey into the modern economy s beating heart with peerless scholarship and a wealth of original research mazzucato and collington argue brilliantly for building a new system in which public and private sectors work innovatively for the common good
