alcohol is the most commonly used drug by teens in the united states unfortunately teen alcohol use comes with serious dangers including increased risk of brain development problems accidents and injuries physical and sexual assault and death it also puts teens at greater risk of developing alcoholism this book explains what alcoholism is and what it does to a person s body and brain by examining the latest news headlines facts and statistics the author reveals the truth about this serious addiction

fifteen million americans a year are plagued with alcoholism five million of them are women many of them like caroline knapp started in their early teens and began to use alcohol as liquid armor a way to protect themselves against the difficult realities of life in this extraordinarily candid and revealing memoir knapp offers important insights not only about alcoholism but about life itself and how we learn to cope with it it was love at first sight the beads of moisture on a chilled bottle the way the glasses clinked and the conversation flowed then it became obsession the way she hid her bottles behind her lover s refrigerator the way she slipped from the dinner table to the bathroom from work to the bar and then like so many love stories it fell apart drinking is caroline kapp s harrowing chronicle of her twenty year love affair with alcohol caroline had her first drink at fourteen she drank through her yeras at an ivy league college and through an award winning career as an editor and columnist publicly she was a dutiful

daughter a sophisticated professional privately she was drinking herself into oblivion this startlingly honest memoir lays bare the secrecy family myths and destructive relationships that go hand in hand with drinking and it is above all a love story for our times full of passion and heartbreak betrayal and desire a triumph over the pain and deception that mark an alcoholic life praise for drinking quietly moving caroline knapp dazzles us with her heady description of alcohol s allure and its devastating hold los angeles times book review filled with hard won wisdom a perceptive and revealing book san francisco chronicle eloquent a remarkable exercise in self discovery the new york times drinking not only describes triumph it is one newsweek

this is a compilation of different things in regards to alcoholism destruction by alcoholism to my take on alcoholics anonymous this is not a book of hope or happiness but a book of real honest information from an alcoholic

based on over 20 years prodigious research graham takes the reader on a compelling tour of human history and links alcohol addiction with the destructive behavior of a range of public figures including tyrants murderers politicians and writers drawing on the case of famous characters such as alexander the great joseph stalin joe mccarthy and ernest hemingway this book presents a convincing assessment of how this disorder can adversely affect the behavior of powerful individuals with devastating consequences

newly revised and updated this engaging narrative chronicles america s delight in drink and its simultaneous fight against it for the past 350 years from plymouth rock 1621 to new york city 1987 mark edward lender and james kirby martin guide readers through the history of drinks and drinkers in america including how popular reactions to this ubiquitous habit have mirror and helped shape national response to a number of moral and social issues by 1800 the temperance movement was born playing a central role in american politics for the next 100 years equating abstinence with 100 proof americanism and today the authors attest a neotemperance movement seems to be emerging in response to heightened public awareness of the consequences of alcohol abuse

this encyclopedia presents the many sides of america s ongoing relationship with alcohol examining the political history pivotal events popular culture and advances in technology that have affected its consumption from the constant advertising messages from beer wine and liquor manufacturers to parties weddings and other social gatherings where alcohol is served to after work happy hours with coworkers the influence and presence of alcohol are inescapable in the united states according to a government source 50 percent of american adults identified themselves as regular drinkers having at least 12 drinks in the past year this encyclopedia presents an overview of the entire history of alcohol in america from the first colonies to present day focusing on the often marginalized and pop culture aspects of alcohol use and misuse entries illuminate topics such as the favorite alcoholic beverages in america how they are manufactured the role of alcohol in everyday life special events and across history the impacts of alcohol consumption on society and health and much more connections and influences from outside the united states are also considered for some topics

in the spirits of america burns relates that drinking was the first national pastime and shows how it shaped american politics and culture from the earliest colonial days he

details the transformation of alcohol from virtue to vice and back again and how it was thought of as both scourge and medicine he tells us how the great american thirst developed over the centuries and how reform movements and laws sprang up to combat it burns brings back to life such vivid characters as carrie nation and other crusaders against drink he informs us that in the final analysis prohibition the culmination of the reformers quest had as much to do with politics and economics and geography as it did with spirituous beverage

in this fascinating history of alcohol in postwar american culture lori rotskoff draws on short stories advertisements medical writings and hollywood films to investigate how gender norms and ideologies of marriage intersected with scientific and popular ideas about drinking and alcoholism after the repeal of prohibition in 1933 recreational drinking became increasingly accepted among white suburban middle class men and women but excessive or habitual drinking plagued many families how did people view the problem drinkers in their midst how did husbands and wives learn to cope within an alcoholic marriage and how was drinking linked to broader social concerns during the great depression world war ii and the cold war era by the 1950s rotskoff explains mental health experts movie producers and members of self help groups like alcoholics anonymous and al anon helped bring about a shift in the public perception of alcoholism from sin to sickness yet alcoholism was also viewed as a family problem that expressed gender role failure for both women and men on the silver screen in movies such as the lost weekend and the best years of our lives and on the printed page in stories by such writers as john cheever in hospitals and at twelve step meetings chronic drunkenness became one of the most pressing public health issues of the day shedding new light on the history of gender marriage and family life from the 1920s through the 1960s this innovative book also opens new perspectives on the history of leisure and class affiliation attitudes toward consumerism and addiction and the development of a therapeutic culture

a comprehensive encyclopedia on all aspects of the production consumption and social impact of alcohol alcohol and temperance in modern history an international encyclopedia spans the history of alcohol production and consumption from the development of distilled spirits and modern manufacturing and distribution methods to the present authoritative and unbiased it brings together the work of hundreds of experts from a variety of disciplines with an emphasis on the extraordinary wealth of scholarship developed in the past several decades its nearly 500 alphabetically organized entries range beyond the principal alcoholic beverages and major producers and retailers to explore attitudes toward alcohol in various countries and religions traditional drinking occasions and rituals and images of drinking and temperance in art painting literature and drama other entries describe international treaties and organizations related to alcohol production and distribution global consumption patterns and research and treatment institutions as well as temperance prohibition and antiprohibitionist efforts worldwide

you often see books on theoretical approaches and new interventions in therapy but you rarely if ever find a book where therapists discuss their personal reactions to and views of the therapy they offer in this amazing volume tales from family therapy life changing clinical experiences psychologists psychotherapists and marriage and family counselors come together to share their unique experiences in therapy sessions and how they ve learned that often the clients know more than they do as you will see and as these therapists reveal sometimes all the top notch and most innovative theories in the world won t help a client in distress tales from family therapy isn t just about

therapists learning a lesson or two from their clients it's about compassion healing being taken by surprise thinking on your toes and encouraging people to believe in their strengths not just their weaknesses these stories represent to the authors some of the most special most rewarding and most puzzling moments in all their years of therapy they invite you to share in their recollections and discussions of the power of speaking accepting respecting and working with the realities clients bring the importance of first impressions in counseling how personal narratives develop through relationship coloring outside the lines of the dominant culture helping clients determine when rocking the boat is needed listening to your clients and not just your theories developing the self of therapist in the therapy room anything can happen and as tales from family therapy shows anything does graduate students counselors licensed therapists family educators and family sciences professionals as well as lay readers will find this insightful book a helpful forum where the struggles doubts and triumphs of psychotherapy are revealed to encourage and inspire those who participate in the therapeutic process

a collection of essays examine the social histories of drinking in europe america and africa

presents a history of the effect of alcohol in world history and argues that the production trade consumption and regulation of alcohol has shaped virtually every civilization
